

Losing Me by LAURIA

I can't go on
Can't keep up
A broken heart
Is much too foreign

I don't give a damn what people'll
Think about me
I don't wanna live the life
They want me to live

Oh yeah
Not you
I don't want you
Don't

Need you, I'd be better off without you
I deserve better than this

I don't want this kind of life
I don't need what you want
I don't need the tears you left on me, yes all over me
I don't need those fires
I don't need those bleedings
I don't need what you want, Ain't scaring me, This shit is crazy
At the end of the day, You're the one losing me

Same, same old song
Playing on
I'm tired of the same words so
Give it up cause your
Broken promises are revealed
Shattered future but I'm living
My heart is light as you walk away

Oh yeah
Not you
I don't want you
Don't need you,
I'd be better off without you
I deserve better than this

I don't want this kind of life
I don't need what you want
I don't need the tears you left on me, yes all over me
I don't need those fires
I don't need those blessings

I don't need what you want
Ain't scaring me
This shit is crazy
At the end of the day,
You're the one loosing me

I'm stronger than this
Im stronger like this
So watch me fly away
And you can go away
I wont loose anyways

I don't give a damn what people'll
Think about me
I don't wanna live the life
They want me to live

Oh yeah
Not you
I don't want you
Don't need you,
I'd be better off without you
I deserve better than this

I don't want this kind of life
I don't need what you want
I don't need the tears you left on me, yes all over me
I don't need those fires
I don't need those blessings
I don't need what you want
Ain't scaring me
This shit is crazy
At the end of the day,
You're the one loosing me
