

Anywhere but here by LAURIA

Tonight, I've gone away  
Couldn't bear my natural state  
Like every other day  
Can I  
Press pause on this game?  
Matter fact, reboot the entire thing  
A new face a new name  
I I I I can't keep going  
Can't hold it in  
Got no discipline  
I I I I feel lost again  
I'm done trying  
Every night, I'll drown my pain

So it doesn't matter what I take  
As long as I forget  
All my worries as of yet  
Loose my mind, loose the thread  
It doesn't matter where I go  
As long as the way is clear  
I'll get on any train to take me anywhere  
Anywhere but here

I'll take a sip  
I'll take two more  
I'll keep on counting until I can't count anymore  
I breathe out smoke  
Enough to choke  
Making a joke of a promise I already broke  
Oh non, pardon  
Il y a des maux qu'on nourrit sans raison

And I wish  
That I could lie  
And say that I'm alright  
But not a soul  
Would think I'm whole.

So it doesn't matter what I take  
As long as I forget  
All my worries as of yet  
Loose my mind, loose the thread  
It doesn't matter where I go  
As long as the way is clear  
I'll get on any train to take me anywhere  
Anywhere but here

Gone too deep  
Gave up on me  
Don't let me give up on me  
Done some things  
To set me free  
Will no one  
Hear this plea?
